pediatrician recs...

I'm due to deliver the end of January at Hoag and am just starting to look for a pediatrician. Can anyone recommend a great one in the Newport/HB area? My doctor is Amy Van Blaricom in Newport so anywhere in that area would be great!

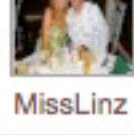

Thanks :)

We go to Dr. Yu on Superior next to Hoag. Really like him so far. It is a practice with his father and he came recommended by my OB.

Wow Brooketarne, you and I are so close in Due Dates, we go to the same Dr.'s office, except I see Dr. Gigi Kroll, and we'll both be at Hoag around the same time! :) We might as well go to the same Pediatrician-LOL. We will be using Dr. Steven **Abelowitz**. We still have to meet with him (next week) but so far based on his approach to things, and we keep hearing nothing but good things about him, we're pretty sure we'll like him! :)

Here's their website:

Best Wishes!!!

My LO is with Dr. Abelowitz's practice, Coastal Kids, in Newport Beach. However, we're with Dr. Kristine Brown and we LOVE her! She's been wonderful.

Hey Brooke - I got to Amy V too!!! We take DD to Elizabeth OConnell at Coastal Kids in NB. The front office is tough, but OConnell is a doll.
